MOTOsafety

Notifications Setup

MOTOsafety offers customized Notifications so you can be kept up to date on your vehicles even from far away!

- Log in to your Customer Portal and from the Map page click 'Setup'.
- **2** On the left menu bar select 'General Notifications'.
- 3 Then, click 'ADD NOTIFICATION'.
- **4** Enter a name for your notification
- **5** Choose which Trackers, Drivers, or Groups will be monitored for this notification. Use the arrows between the columns to make your selections.
